

# Field Experience Specification

Course Title: *Field Experience*

Course Code: 501588-2

Program: Bachelor of Computer Science

Department: Department of Computer Science

College: College of Computers and Information Technology

Institution: Taif University

Field Experience Version Number: 1

Last Revision Date: 4 /2/ 2024

## Table of Contents

|   |    |
|---|----|
| <b>A. General information about the course:</b> .....   | 3  |
| <b>B. Course Learning Outcomes (CLOs), Teaching Strategies and Assessment<br/>Methods</b> ..... | 3  |
| <b>C. Field Experience Administration</b> .....   | 6  |
| <b>D. Training Quality Evaluation</b> .....   | 10 |
| <b>E. Specification Approval Data</b> .....   | 10 |

## A. Field Experience Details:

1. Credit hours: (2).

2. Level/year at which Field Experience is offered: (10).

3. Time allocated for Field Experience activities

(16 ) Weeks

(2 ) Days

(5 ) Hours

4. Corequisite (or prerequisites if any) to join Field Experience

None

5. Mode of delivery

In-person/onsite

hybrid (onsite/online)

Online

## B. Field Experience Course Learning Outcomes (CLOs), Training Activities and Assessment Methods

| Code | Learning Outcomes   | Aligned PLO Code | Training Activities                     | Assessment Methods                              | Assessment Responsibility  |
|------|---|------------------|---|---|--|
| 1.0  | Knowledge and understanding   |                  |   |   |  |
| 1.1  | Identify difficulties encountered in training environment, and then make recommendations for solutions based on the theories studied. | K1               | Introductory lecture<br>Writing reports | Periodic reports<br>Interaction<br>Final report | Teaching Staff<br>Final report<br>Final presentation and discussion<br>Interaction |

| Code       | Learning Outcomes  | Aligned PLO Code | Training Activities   | Assessment Methods  | Assessment Responsibility  |
|------------|--|------------------|---|---|--|
| 1.2        | To be able to determine the reality of the labor market in their field.  | K1               | Introductory lecture<br>Writing reports                     | Periodic reports<br>Interaction<br>Final report                 | Field Supervisor<br>Final evaluation (company)<br>Periodic reports                 |

\*Assessment methods (i.e., practical test, field report, oral test, presentation, group project, essay, etc.).

## C. Field Experience Administration

### 1. Field Experience Flowchart for Responsibility

Including units, departments, and committees responsible for field experience identifying by the interrelations.

## 2. Distribution of Responsibilities for Field Experience Activities

| Activities  | Department or College | Teaching Staff | Student | Training Organization | Field Supervisor |
|---|-----------------------|----------------|---------|-----------------------|------------------|
| Selection of a field experience site                                  | √                     |                | √       |                       |                  |
| Selection of supervisory staff  | √                     |                |         | √                     |                  |
| Provision of the required equipment                                   | √                     |                |         | √                     | √                |
| Provision of learning resources                                       |                       | √              |         |                       | √                |
| Ensuring the safety of the site                                       | √                     |                |         | √                     | √                |
| Commuting to and from the field experience site                       |                       |                |         | √                     | √                |
| Provision of support and guidance                                     |                       | √              |         | √                     | √                |
| Implementation of training activities (duties, reports, projects ...) |                       |                | √       | √                     | √                |
| Follow up on student training activities                              |                       | √              |         | √                     |                  |
| Monitoring attendance and leave                                       |                       |                |         | √                     | √                |
| Assessment of learning outcomes                                       | √                     | √              |         | √                     |                  |
| Evaluating the quality of field experience                            | √                     | √              |         |                       |                  |
| Others (specify)  |                       |                |         |                       |                  |
|   |                       |                |         |                       |                  |
|   |                       |                |         |                       |                  |
|   |                       |                |         |                       |                  |
|   |                       |                |         |                       |                  |
|   |                       |                |         |                       |                  |
|   |                       |                |         |                       |                  |
|   |                       |                |         |                       |                  |
|   |                       |                |         |                       |                  |

## 3. Field Experience Location Requirements

| Suggested Field Experience Locations | General Requirements*  | Special Requirements**                    |
|--------------------------------------|--|---|
| Saudi Arabian Airlines               | a) a. Availability of modern IT software.<br>College is keen to guide the students field training reputable entities that have clear | Must provide a better and latest software |
| Jeddah Municipality                  |  |   |
| Najran cement company                |  |   |

| Suggested Field Experience Locations                | General Requirements*   | Special Requirements** |
|---|---|------------------------|
| Information Logistics services co. Ltd.             | <p>procedures to ensure the safety of staff</p> <p>Must provide a better and latest software</p> <p>b) a. The availability of specialized technical centers</p> <p>College is keen to guide the students field training reputable entities that have clear procedures to ensure the safety of staff</p> <p>Must provide a better and latest software</p> <p>c) Availability of modern hardware</p> <p>College is keen to guide the students field training reputable entities that have clear procedures to ensure the safety of staff</p> <p>Must provide a better and latest hardware</p> <p>d)</p> |                        |
| Intercontinental Hotel Jeddah                       |   |                        |
| Saudi Aramco  |   |                        |
| Saudi Arabian Drug Stores Co. Ltd.                  |   |                        |
| King Abdelaziz university – admission of E-learning |   |                        |
| Hafil Maintenance & Service Co. Ltd.                |   |                        |
| King Fahad Hospital                                 |   |                        |

\*E.g. provides information technology, equipment, laboratories, halls, housing, learning sources, clinics ... etc.

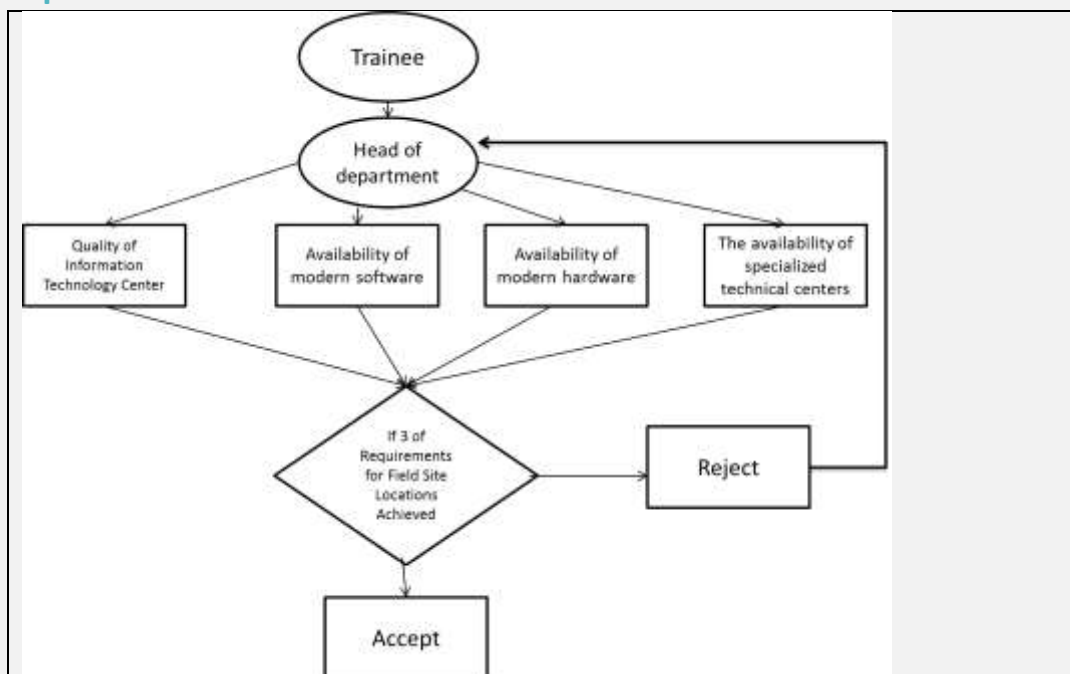

\*\* E.g. Criteria of the institution offering the training or those related to the specialization, such as safety standards, dealing with patients in medical specialties ... etc.

#### 4. Decision-Making Procedures for Identifying Appropriate Locations for Field Experience

#### 5. Safety and Risk Management

| Potential Risks   | Safety Actions                                       | Risk Management Procedures              |
|---|--|---|
| a. Not to expel the trainee of the program without giving convincing reasons. | The expulsion of training without compelling reasons | Contract an agreement with the company. |
| b. carrying all damages infected trainee during training                      | Injury the trainee during the training               | Contract an agreement with the company. |
| c. Bear all the financial requirements of the training.                       | Claim the college with the financial receivables     | Contract an agreement with the company. |
|   |  |   |

## D. Training Quality Evaluation

| Evaluation Areas/Issues    | Evaluators       | Evaluation Methods                |
|----------------------------|------------------|-----------------------------------|
| Practical Work             | Field Supervisor | Final evaluation (company)        |
| Knowledge of training site | Teaching Staff   | Periodic reports                  |
| Administration Skills      | Field Supervisor | Interaction                       |
| Overall knowledge          | Teaching Staff   | Final report                      |
| Final achievement          | Teaching Staff   | Final presentation and discussion |
|                            |                  |                                   |
|                            |                  |                                   |

**Evaluation areas** (e.g., Effectiveness of Training and assessment, Extent of achievement of course learning outcomes, Quality of learning resources, etc.)

**Evaluators** (Students, Supervisory Staff, Program Leaders, Peer Reviewer, Others (specify))

**Assessment Methods** (Direct, Indirect)
